DEPARTMENT OF VETERANS AFFAIRS
RESOURCES
Veterans Health Library—
http://www.veteranshealthlibrary.org/
The Veterans Health Library (VHL) offers Veterans, their families and caregivers 24/7 Internet access to comprehensive, Veteran-focused health information that’s consistent with VA clinical practice. Its information, resources, and tools are engaging, “Veteran-friendly,” and written in “plain language.” No matter where Veterans receive care, VHL helps them understand and manage health problems, make informed health decisions, and actively partner with their health care teams. Items within the VHL on Recommended Screening Tests and Immunizations include:

• Preventing cancer
  http://www.veteranshealthlibrary.org/DiseasesConditions/Cancer/142,84669_VA

• Breast cancer screening

U.S. Preventive Services Task Force (USPSTF)

The USPSTF conducts scientific evidence reviews of a broad range of clinical preventive health care services (such as screening, counseling, and preventive medications) and develops recommendations for primary care clinicians and health systems. These recommendations are published in the form of “Recommendation Statements” (http://www.uspreventiveservicestaskforce.org/)
