Infection: Don't Pass It On
[https://www.publichealth.va.gov/InfectionDontPassItOn](https://www.publichealth.va.gov/InfectionDontPassItOn)

_Infection: Don't Pass It On_ is a VA public health campaign established through a collaboration between the National Center for Patient Safety, Employee Education System, Infectious Diseases Program Office, National Center for Health Promotion and Disease Prevention (NCP), Public Health Services, and VA experts in infection control. The goal of the campaign is to involve staff, patients, and visitors in taking basic steps to prevent infection, whether occurring daily, seasonally, or during infectious disease emergencies (natural or man-made).
Federal Government Resources
(you are leaving the Department of Veterans Affairs website.)

US Department of Health and Human Services
Vaccines https://www.vaccines.gov/
Vaccines.gov is the federal gateway to information on vaccines and immunization for infants, children, teenagers, adults, and seniors. Vaccines.gov provides resources from agencies for the general public and their communities about vaccines across the lifespan.

Centers for Disease Control and Prevention
National Immunization Program
https://www.cdc.gov/vaccines/vpd/measles/index.html
A comprehensive listing of vaccine and immunization information. Find information for children, adolescents, adults, and older adults.

Immunization

- A questionnaire for patients to see what immunizations they need.
  https://www2a.cdc.gov/nip/adultImmSched/

- An easy-to-read single page on adult immunizations.

Influenza (Flu) Vaccine Information

Flu https://www.cdc.gov/flu
Basic facts about the flu, preventing the flu, and what to do if you get sick.

- Flu.gov https://www.flu.gov/
  One-stop access to U.S. Government flu information, managed by the Department of Health and Human Services.
